23rd August 2022

The Executive Director
National Environment Agency
Jimpex Road, Kanifing

Dear Sir,

Submission of Revised Environmental and Social Impact Assessment (ESIA)
Report for the Three 30 kV /Mv Transmission Lines and Distribution Networks in
the North Bank and Upper River Regions (Backbone Phase 2) and Request for
Approval

Following the validation workshop held in Farafenni on July 22, 2022, for the above named ESIA, please find attached revised report after incorporating the comments received from Environmental Impact Assessment Working Group wo

In view of the above, we are also requesting for a disclosure of the report as per the regulatory guidelines.

Since this approval is the last document needed for the disbursement of the funds for the works, and knowing that contractor is already mobilized, we are requesting for your collaboration and understanding to assist us in order to allow the Donor to approve the disbursement and avoid penalties from contractor.

Please let us know the next steps, and we once again thank you for your support and cooperation throughout this process.

We look forward to your swift response.

Yours Faithfully,

.....
