**RE: SUBMISSION OF INCEPTION REPORT ON THE CONSULTANCY SERVICES FOR THE REVIEW AND UPDATE  
OF THE NATIONAL ENERGY POLICY, STRATEGIES AND ACTION PLAN FOR THE GAMBIA**

The Ministry of Petroleum and Energy of The Gambia is pleased to acknowledge receipt of your letter dated 29<sup>th</sup> September, 2022 submitting the Inception Report of the above-mentioned assignment.

Upon receipt of the Inception Report, the technical team (Energy Division) of the Ministry reviewed the report on Thursday 6<sup>th</sup> October, 2022 against the requirements as per the terms of reference for the consultancy services.

In a nutshell, the submitted Inception Report only outlined the Technical Approach & Methodology as per the technical proposal that you submitted earlier including a work plan for meeting the deliverables of the assignment.

However, the Inception Report did not cover relevant areas of interest for this report including a detailed review of existing energy policies, strategic objectives, plans and programmes at both national as well as regional level to identify the existing gaps between the policies, plans, programs under the current situation and the policy, plans, programs needed to meet the sector objectives in terms of safe, secure, affordable energy and low carbon development. Please kindly refer to Phase 1 under Scope of Work and the Deliverables in the terms of reference.

In view of the above, the Ministry of Petroleum and Energy strongly advised that the consultant should do more work on the Inception Report based on the requirements of the terms of reference and resubmit an Inception Report to the Ministry of Petroleum and Energy for consideration and possible approval before moving to Phase 2 of the assignment.

By copy of this letter, NAWEC Project Implementation Unit is hereby informed of the status of implementation of the assignment.

While we count on your understanding and cooperation on this matter, the Ministry reiterates its resolve to have sound and responsive National Energy Policy, Strategies and Action Plan documents.

Peter D. Mendy

**FOR: PERMANENT SECRETARY**
