Subject: REQUEST FOR TRAVEL APPROVAL TO EXTRACT END OF YEAR METER DATA

I respectfully write to seek Management's approval for the deployment of a three-man team from NAWEC to participate in a joint end-of-year mission with our sister utilities, EDG and Senelec.

This request is in line with the resolutions of the Tripartite Protocol Follow-Up Meeting held on 05 December 2025. The mission is scheduled to take place from 1 to 9 January 2026 and will involve on-site data extraction and verification of meter readings at the Kedougou, Tanaff, and Kaolack substations, in accordance with the provisions of the tripartite protocol.

The mission will be conducted by road, covering an estimated total distance of 1,416 kilometers.

It is proposed that the following officers constitute the three-man team:

- Ndey Jallow
- Sanna Gomez
- Oley Jallow

① HOG
For your consideration
and review for approval.
Jallow
25/12/2025

③ MB
Approved! please
for endorsement.
25/12/25

Given the critical nature of this mission to the preparation of the annual energy balance and compliance with the tripartite protocol, Management's approval for the deployment of the above-named officers and facilitation of the necessary logistics is respectfully requested.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Sanna Gomez', with a horizontal line and dots underneath.

Sanna Gomez

Operations & Planning Manager

Planning des Activités (01 au 09 janvier 2026)

Date	Activités	Lieu
