16th March, 2021

**Managing Director
National Water & Electricity Company
Kanifing.**

Dear Sir,

**ALLOCATION OF A PLOT OF LAND FOR THE 225KV
TRANSMISSION LINE**

I am pleased to convey approval of The Honourable Minister for Lands, Regional Government & Religious Affairs for an allocation of a strip of land from **Brikama Nawec power Station** to **Salagi Forest Park at Jabang Village**, West Coast Region.

The strip of land is for a Public Utility right of way corridor for the 225kv electricity transmission line. The right of way is 20m buffer (40m) on either side of the transmission line along the 18km that stretches from Brikama to Jabang.

- a. No building is permitted in the corridor
- b. The compensation of the attached Land owners is the sole responsibility of NAWEC

Finally, I wish to congratulate you on this offer and to express my hope that you will develop the plot to the required standard within the stipulated period.

Thank you for your cooperation.

Yours faithfully,

Kebba Ceesay
Director of Lands & Surveys

cc: PS – MoL, RG&GA
Director of Physical Planning and Housing
Principal Surveyor
