QUARTERLY VISIT TO NAWEC FACILITIES

Further to our usual monitoring exercises and visits to your facilities, PURA recognises the recent implementation of major projects and in recognition of their national importance, the Authority would like to visit the below mentioned sites.

- Brikama & Kotu Power Plants
- 225kV Jabang Substation
- Dispatch center in Brikama
- The National Control center in Brikama

The Purpose of the letter is to cordially request you to provide assistance to the team during the visit from 26th -31st May 2022.

We thank you for the usual cooperation.

Your sincerely,
