

NAWEC KPI PERFORMANCE REPORT

Generated: 2025-07-30 12:23:11
Year: 2025 Quarter: 1

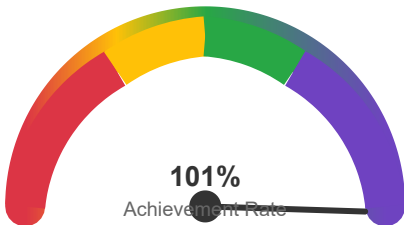

Overall Performance Summary

Overall GIR Summary

Target GIR: 85.00

Actual GIR: 85.87

Achievement Rate: 101.02%

Weak (0-40%) Average (41-55%) Good (56-74%) Excellent (75-100%)

Detailed KPI Performance Data

Indicator	PDO	Base	Target	Achieved	Perf %	Var	Year	Status
Generation Availability Factor (GAF) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	12.3	75.0	82.4	110%	7.4	2025	Achieve
Local Production (Total electricity generated) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	20.0	63.0	38.4	61%	-24.6	2025	Not Achieve
Return_on_Net_Assets (ROA) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	-24.0	-9.8	-2.5	N/A	N/A	2025	N/A
Net Profit Margin (NPM) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	-37.0	-11.9	-14.7	N/A	N/A	2025	N/A
Current Ratio (CR) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	1.2	1.4	0.5	35%	-0.9	2025	Not Achieve

Indicator	PDO	Base	Target	Achieved	Perf %	Var	Year	Status
Non-Revenue Water(NRW) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	40.0	30.0	38.5	128%	8.5	2025	Not Achieve
Water Quality Compliance - Chemical (WQCC) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	84.0	100.0	97.0	97%	-3.0	2025	Not Achieve
Water Quality Compliance - Bacteriological (WQCB) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	94.0	100.0	100.0	100%	0.0	2025	Achieve
Timely Tax Payment (TTP) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	100.0	100.0	66.7	67%	-33.3	2025	Not Achieve
Timely Payment of Salary (TPS) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	100.0	100.0	100.0	100%	0.0	2025	Achieve
percentage of Audit recommendation implemented (PARI)	To ensure the provision of sustainable, safe,	40.0	90.0	60.0	67%	-30.0	2025	Not Achieve

Indicator	PDO	Base	Target	Achieved	Perf %	Var	Year	Status
Output	accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,							
Timely submission of quarterly report (TSQR) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	100.0	100.0	100.0	100%	0.0	2025	Achieve
New Electricity Connection Days (NECD) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	45.0	25.0	11.4	46%	-13.6	2025	Achieve
Debt Service Coverage Ratio (DSCR) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	-47.0	-9.8	2.1	N/A	N/A	2025	N/A
Total Losses Electricity [ATC&C] Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	23.0	18.0	19.6	109%	1.6	2025	Not Achieve
Debtor Days (DD) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity,	145.0	90.0	642.1	713%	552.1	2025	Not Achieve

Indicator	PDO	Base	Target	Achieved	Perf %	Var	Year	Status
	water, and sewerage services to satisfy customer needs, achieve financial stability,							
Debt Equity Ratio (DER) Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	89.0	80.0	-178.3	-223%	-258.3	2025	Not Achieve
Trainings Days_per_Employee (TDE)- Total Man Hours Output	To ensure the provision of sustainable, safe, accessible, affordable, and reliable electricity, water, and sewerage services to satisfy customer needs, achieve financial stability,	4000.0	5000.0	20194.1	404%	15194.1	2025	Achieve
